

Candace Plattor, M.A.
Registered Clinical Counsellor

If nothing ever changed, there would be no butterflies.

My Services include:

Individual therapy for people wanting to overcome their addictions.

Therapy for families, partners and friends of addicted people, helping them cope and set boundaries with their addicted loved ones.

In-person therapy and counselling services for the **Vancouver area**.

Telephone Counselling for those who live outside the Vancouver area or who are unable to attend sessions in person.
